

Waynesville's

CHRISTMAS IN THE VILLAGE

Dear Community Partner,

The Waynesville Area Chamber of Commerce invites you to become a proud sponsor of **Waynesville's Christmas in the Village**—a cherished annual tradition that brings holiday magic to our town and connects businesses with thousands of visitors.

This year, we're excited to offer new sponsorship opportunities at three levels—\$500, \$300, and \$150—giving businesses of all sizes a chance to be recognized as key supporters of this beloved community event. Sponsorship provides a wonderful way to showcase your business while demonstrating your commitment to making Waynesville a vibrant and festive destination during the holiday season.

As a sponsor, your business will receive valuable exposure, including placement on **Christmas in the Village rack cards** distributed from **September through December**. Additionally, sponsors will receive an **official window cling**, making it easy for visitors to recognize and support the businesses that help make this event possible.

Your contribution directly enhances the experience for thousands of guests and residents, creating memories and traditions that keep our community thriving. We would love for you to join us in making this year's Christmas in the Village the best one yet!

Please review the sponsorship levels and let us know how you'd like to participate. Thank you for your support in bringing the holiday spirit to Waynesville!

Warm regards,

Kelly Miller
