## APPENDIX A OHIO SAUERKRAUT FESTIVAL CRAFT BOOTH RULES AND REGULATIONS

- GENERAL**
- The following general policies and guidelines for the Ohio Sauerkraut Festival have been made in an effort to maintain a standard of quality and continuity to the Festival from year to year. It should be understood that these policies are subject to the control of the Board of Directors of the Waynesville Area Chamber of Commerce.
- (1) The purpose of the Ohio Sauerkraut Festival is to provide a means to maintain and further enhance the quality of life in the Waynesville community.
  - (2) The Festival shall be held the second full weekend in October of each year, and shall be promoted as an arts and crafts festival. Games of chance, rides and all activities suggesting a carnival or circus atmosphere shall be prohibited. The entire festival shall be directed towards family-oriented activities.
  - (3) The Waynesville Area Chamber of Commerce and the Ohio Sauerkraut Festival Committee shall have total control over the renting of all booth spaces as well as the responsibility to keep quality merchandise throughout all of the festival booths.
  - (4) All booth spaces in the show are 10 x 10 feet. No height of booth can extend above 11 feet. A limited number of double booth spaces (10 x 20) are made available to existing vendors. You can qualify to be placed on a waiting list for a double booth space only after you have been a vendor in good standing at least one year.

- (5) Vendors operating booths side by side with friends must operate them as independent booths and the appearance must be that they are separate. Only merchandise that has been juried and approved may be displayed. Each vendor should be handling their own money. One cash register or money box taking money for more than one booth is not allowed.
- (6) Vendors will not create a carnival like atmosphere; this includes but is not limited to flashing lights, music that can be heard outside the booth, yelling to the crowd, the use of moving items not juried to draw attention, etc.
- (7) **All booth structures must be erected by 7:00 a.m. on Saturday**, and all motorized vehicles must be removed from the immediate festival area by 7:00 a.m. both on Saturday and Sunday. Any booth space not occupied before 7:00 a.m. on Saturday will be considered vacant and the committee may rent this space to another vendor. No refund will be made for late arrivals that do not have access to their booth.
- (8) All Lessees shall conduct business during all published festival hours. Vendors may at their discretion, open and make sales one hour prior to the published show hours. Vendors must stop all sales at the closing time published each day.
- (9) Vendors may not distribute any literature except: an advertisement of their business; a brochure that describes their product or the process to create the item; business cards that allow the customer to contact them in the future; or advertisements for upcoming shows where the vendor will be displaying their merchandise.
- (10) All vendors must display their booth number card on the front right-hand side of their booth. You will not be juried for next year's show without the number displayed as described. This is mandatory for many reasons, including helping emergency services find you.
- (11) Each booth Lessee shall be responsible to clean up and restore the booth space to its original condition at the conclusion of the festival. All trash is to be placed in the dumpster nearest your booth at the close of the festival on Saturday and Sunday nights. Use of the festival trash totes is prohibited, dumpsters must be used.
- (12) **The Lessee shall not sublease booth space to another vendor or have your products sold by others.** Such violations will result in the closing of the booth by the festival chairman. In addition, the space will not be rented to the original Lessee for the following year's festival.
- (13) **If the Lessee cancels this agreement, the booth rental fee will be refunded as follows: in full if cancelled before April 1, 2021; less \$50.00 if cancelled between April 1 and September 1, 2021; no refund for cancellations after September 1, 2021.**
- (14) The Waynesville Area Chamber of Commerce and the Ohio Sauerkraut Festival Committee specifically retain exclusive rights to use commercial, promotion or official logos in connection with the festival including exclusive rights to sell items containing such logos.
- (15) The Ohio Sauerkraut Festival Committee may refuse entry or cause the withdrawal of any vendor who annoys, endangers or interferes in any way with the harmony of the festival.
- (16) Vendors are responsible for payment of any local licenses, permits or taxes required by law. To obtain a Warren County vendor's license, call 513-695-1240. For information regarding Ohio sales tax, call 513-695-1215.
- (17) The Ohio Sauerkraut Festival and the Waynesville Area Chamber of Commerce will not be held responsible for accidental injury, theft or loss of property.
